Hector Hernandez is a speaker, dog trainer, and author. Over 20 years' experience training police dogs, which, combined with testing and training all breeds of dogs aggressive or not, has made him well rounded in the field of dog bite prevention. Hector is a regular speaker for private, public, and federal employees. He will share his ability to read a dog's body language to help foresee a dangerous encounter. His methods are simple to remember and give you different options in the event of escalating aggression

*Per Hector Hernandez no videoing the seminar.
